

Lunch Line Procedure

1. Students who are purchasing **Hot Lunch or a La Carte** will enter the cafeteria line through the double doors into the hallway. Next, they will proceed through the **door on the far right side**.
2. Students will flow through the line in an efficient manner while receiving a lunch tray of hot/cold food, followed by selecting a dessert on the cold bar. Students will select a carton of milk from the cooler at the end of the tray line. If the student has cash, they may pay at end of the line, otherwise their account will be marked with a lunch. In the event of a forgotten lunch, students will be offered the daily hot lunch with the option of substituting a Peanut Butter and Jelly Jamz sandwich for the main item. I'll send an email letting you know if your child owes lunch money.
3. All students will exit through the double doors back into the cafeteria.
4. Condiments, silverware, napkins, and straws are located in the cafeteria eating area.

Procedure for Purchasing, snacks, and drinks

1. Students will enter through two sets of double doors.
2. They will proceed to the left side where the snack table is located.
3. They will choose their purchase and proceed to the cashier.
The following items will be available for purchase at the cashier:
 - ❖ Hot pretzels, Pretzel-dogs, Salads, Bagged Snacks, Cookies, Milk, and assorted Juices.
4. All students will proceed back through the double doors into the cafeteria area.

This system will minimize the time spent in the lunch line.

Volunteers are present to help your child if they are uncertain of the procedure. I intend for lunch to be a great experience for every student this year. Thank you for your interest and participation.
