Why do I choose to work in Catholic Education?

Teaching in a private school that upholds Biblical principles is important to me and I consider it a privilege to serve in this way.

What do I consider uniquely special about the St. Francis de Sales Catholic School experience?

St. Francis has a faith community of teachers who care about each other, the children they teach, the community that surrounds them and the world. They reach out in service in many ways. This quality is not always found in every school.

What are my interests beyond my work at St. Francis de Sales?

Among the many things that I enjoy, I love to spend time with my family and friends, to cook and bake, to work in the yard, to paint, to read and learn, to accompany music for various organizations, and to serve my Lord and Savior, Jesus Christ.

What is my favorite quote and the author?

“The Lord is my strength and my shield; my heart trusts in him, and I am helped. My heart leaps for joy and I will give thanks to him in song.” *Psalm of David - 28:7*
