**Why do I choose to work in Catholic Education?**

I choose to work in Catholic education in hopes of passing on the Catholic values and character traits that I had learned during my years as a Catholic school student. Having the opportunity to teach children about Faith, Gratitude, Compassion and Service to Others is rewarding and is what God has called me to do.

**What do I consider uniquely special about the St. Francis de Sales Catholic School experience?**

St. Francis de Sales is special because of its comfortable and family-like atmosphere. I feel blessed that at St. Francis I have the opportunity to work with supportive and appreciative parents.

**What are my interests beyond my work at St. Francis de Sales?**

My favorite activity outside of school is spending time with my fun and active family. We enjoy watching the Ravens and playing Cornhole on the beach. I also enjoy playing tennis, running, camping, reading and relaxing on the porch.

**What is my favorite quote and the author?**

*“A little consideration, a little thought for others, makes all the difference.”* - Winnie the Pooh
