Why do I choose to work in Catholic Education?

I believe that a Catholic education instills life long values through the teachings of our faith, which in return helps guide us through our life.

What do I consider uniquely special about the St. Francis de Sales Catholic School experience? St. Francis de Sales is unique by the dedication of its parish families, especially those attending and serving in our school. As evidence to this point, we have several current faculty members that are proud graduates of our school.

What are my interests beyond my work at St. Francis de Sales? In my spare time, I enjoy walking, spending time with my family and friends and take pleasure in life at the beach.

What is my favorite quote and the author?

I find myself saying the following quotes, especially to my own children: “Remember...God sees you...” and also the famous golden rule “Do unto **others** as you want them to do unto you”.
