**Why do I choose to work in Catholic Education?**

With my son as a student at St. Francis, I have witnessed first-hand how well-behaved and kind the children are to each person in our community. The students are great and I enjoy working with them.

**What do I consider uniquely special about the St. Francis de Sales Catholic School experience?**

The school community is supportive of each other. When a family is experiencing a hardship, other families step in to help in any way. It is very comfortable and nurturing environment.

**What are my interests beyond my work at St. Francis de Sales?**

Outside of SFdS, I enjoy tennis, reading, gardening and spending time with my family.

**What is my favorite quote and the author?**

I am impressed with the wise words that others express and thus, I don't have one particular favorite quote.
