Why do I choose to work in Catholic Education?

I have chosen to work in Catholic education because I love being able to talk with the children about our faith, not only in Religion class, but throughout the day. I really enjoy watching the children share their faith with each other as well. One of my favorite times at St. Francis is when we celebrate Mass together on Wednesdays.

What do I consider uniquely special about the St. Francis de Sales Catholic School experience?

I think that the families within our St. Francis community make us truly unique. We are blessed to have an educated and committed faculty teaching bright and inspiring students who come from caring and loving homes.

What are my interests beyond my work at St. Francis de Sales?

When I'm not at school I enjoy spending time with my family and friends. I love to go to the beach or the pool. My friends and I also have a great time playing trivia at Adam's Ribs on Tuesday nights!

What is my favorite quote and the author?

"To please a child is a sweet and lovely thing that warms one's heart and brings its own reward."
