**Why do I choose to work in Catholic Education?**

Our Catholic school is a special place to work. There is a calming influence over the building, and I know it to be the Grace of God.

**What do I consider uniquely special about the St. Francis de Sales Catholic School experience?**

This feels like a family to me. We are all in this together. This is the place I want my own family to go, you can not beat the overall education you receive at our school.

**What are my interests beyond my work at St. Francis de Sales?**

I enjoy spending time with my family. I also like to read and collect sports memorabilia

**What is my favorite quote and the author?**

*“There are fifty ways to do anything; all you have to do is find one.”* - Burton

*“If it isn’t broke, don’t fix it.”* - Author Unknown
