Why do I choose to work in Catholic Education?

Working in a Catholic School allows to me to discuss my faith with others and help others grow in theirs.

What do I consider uniquely special about the St. Francis de Sales Catholic School experience?

I believe the friendships and family ties that are made at St. Francis de Sales are incredible! As a graduate of the Class of '97, I remain close with my classmates. These are the bonds that last a lifetime

What are my interests beyond my work at St. Francis de Sales?

I love spending time with my family and singing in the church choir. As well, I enjoy outdoor activities such as bicycling, and camping. In addition, I have found great pleasure and intellectual interest in the courses I have taken toward my Masters of Education at Wilmington University.

What is my favorite quote and the author?

“It isn't what we say or think that defines us, but what we do.”

-Jane Austen, *Sense and Sensibility*-
