<b>Years Working in Education/Teaching:</b>	14
<b>Grade Level, Subject or Administrative Role:</b>	Math: 5-8 Band Director

**Why do I choose to work in Catholic Education?**

The culture of the school is that of a large family. As members of this family, the students are respectful to all. In addition, the traditional feel of the school brings out the best in our students. The faith-filled component of our community allows us to discuss God and celebrate the faith we have in him.

**What do I consider uniquely special about the St. Francis de Sales Catholic School experience?**

We are a smaller school where students receive a fantastic education, as well as have the opportunity to participate in many extra-curricular programs. Moreover, it is a place where everyone can discover their gifts in a safe and nurturing environment. The history and tradition of the SFdS community is unlike any other. Everyone in our community genuinely cares for one another.

**What are my interests beyond my work at St. Francis de Sales?**

My interests allow me to enjoy most activities that are energetic in nature. Activities include: circuit training, swimming, running and kayaking. Also, I spend the majority of my summer coaching a local swim team.

**What is my favorite quote and the author?**

I enjoy the wise words of many contemporaries.
