Why do I choose to work in Catholic Education?

I think an emphasis on Christian values is critical for the development of every child. Teaching at a Catholic school ensures that my students are immersed in those values both through direct instruction and by example.

What do I consider uniquely special about the St. Francis de Sales Catholic School experience?

The first time I visited our school I was impressed by the feeling of family that enveloped the community. To this day I think one of the most special things I witness is how much our students care for and about each other.

What are my interests beyond my work at St. Francis de Sales?

Outside of school my biggest interest is my family. My son, his wife, and my adorable granddaughter live in Ellicott City, so I am able to see them on a regular basis. I also enjoy gardening in the summer and crafts (knitting, scrap booking, and such) in the winter.

What is my favorite quote and the author?

“If you can’t flee....flow.” Author Unknown
