Why do I choose to work in Catholic Education?

I love my faith and want to share that love with my students. I went to Catholic school through 8th grade where my faith was formed, and from 7th grade on, I knew I would teach but only ever considered Catholic school.

What do I consider uniquely special about the St. Francis de Sales Catholic School experience?

St. Francis is small, and everyone comes to know everyone else. The friendships you form here in school last through high school and college!

What are my interests beyond my work at St. Francis de Sales?

I love to be with my family doing ... whatever! I also love to read; I always have one or two books “going” at a time, though during the school year it takes quite a while to get them read since other things seem to keep me busy.

What is my favorite quote and the author?

So faith, hope, love remain, these three, but the greatest of these is love.
1 Corinthians 13: 13
